HTCA Summer Mixer a Success!

HTCA held a successful Summer Mixer on July 27 at the Pearl Ultralounge in the Ala Moana Center. Nearly 50 industry movers and shakers came together and enjoyed an exciting night full of door prizes, great pupus, and networking.

The Summer Mixer and monthly luncheons are held to provide members with an informal venue to conduct business and share ideas with other participants.

Mahalo to all attendees and to our event sponsors: **DRFortress, Hawaiian Telcom, Mobi PCS, New Horizons Learning Center and Pacific Wireless Communications** for their generous door prize donations and ongoing support of the HTCA objectives.

Upcoming Annual HTCA Conference—October 20, 2011

The theme for our 2011 conference is **“Technology as a Path to Hawaii’s Economic Sustainability.”**

Senator Carol Fukunaga will begin our conference with her views on Hawaii’s Path to Diversification.

Our Keynote Speaker is State of Hawaii’s new CIO, Sonny Bhagowalia. Mr. Bhagowalia will

address his views of the use and growth of tech in government as well as in support of economic growth.

Additional topics include recruiting and development of HI Tech work force and creating markets from emerging technologies.

The conference will be held at

the Hilton Hawaiian Village on **Thursday, October 20**. Display booths will be available for Corporate Sponsors.

Conference fees found on our HTCA website: <http://htca.org/reservationsforevents.html> Check our discounts for the annual membership bundled with the Annual Conference.
